Karl Pansener, Esq.,

Lunibreck, Alberta.

Dear Sir:

Many thanks for your letter. Probably I am the person whom you met about twenty-five years ago at River Petert, but I am afraid that though I do remember the visit my memory does not serve me in the matter of the persons whom I then met.

My sentiments are as strongly pro-British as they can be, but I believe that we have a righteous cause, but at the same time I believe we ought to be fair to individual Germans, and I wish to shield any who may be unjustly treated as far as it lies in my power to do so. That does not prevent me from being loyal to my own side, and we shall have to live together with them after the war. With kind regards, I am,

Yours sincerely,

President.
